SELECTED

CONTEMPORARY DÉCOR CERAMIC TILING.

Opposites that attract: urban style and vintage romanticism. Selected combines the minimalist elegance of exposed concrete with fine geometrical or floral elements. The result is a new type of outdoor urban style: understated, yet comfortably warm. Discreet, yet deliberately expressive.

Selected allows for individual freedom of choice using three warm colour shades and the formats 30 x 60 calibrated and 30 x 30 cm. As well as decorative elements with various, random designs and layouts. Naturally, Selected has all the attributes of Ströher paving in terms of safety and comfort of use – including solutions for ceramic steps and edges. A extruded ceramic body, with fixed laying by professionals, results in maximum toughness for outdoor use.
